## Dr. Myron Hilton Celebrates Ten Years with Endodontic Associates!

**T**en years ago (in 1997), Endodontic Associates was continuing to experience rapid growth. Dr. Dayna Duke had joined EA in 1996, but another doctor was still needed to help care for the increasing patient load.

While attending a meeting of endodontists, our doctors had crossed paths with Dr. Hilton. A young, accomplished dentist who had worked for the U.S. Public Health Service before completing his endodontic specialty training at Baylor Medical Center in Dallas, Dr.

Hilton wanted to return to his roots and set up an endodontics practice in Oklahoma. Impressed with Dr. Hilton, the doctors at EA believed he would be a great fit for the practice and extended an invitation to him to join the group. Here we are—a decade later—celebrating this milestone!

Congratulations, Dr. Hilton!

Our north office was crowded with people...referring dentists, their staff and friends of Dr. Hilton...who took time from their busy schedules to come to our recent Open House.

**Thanks to everyone who dropped by!**

*It's always fun to look at photos from our scrapbooks. This picture was taken shortly after Dr. Hilton joined EA... isn't it amazing how little he's changed?*
